LET HUMANS SIT BETTER

The origin of company brand

The history of the company name -"Santang "could be traced back to Christmas Eve in year 2000.Our first American client(later known as a nonprofit organization)ordered 7000 pieces of chairs and donated to those who cannot afford it ,in the name of Santa Claus. One of the volunteer told us that :In western culture Santa Claus is a person whom bring gift,joy and happiness to everybody .After the interview,we decided to offer a big discount for such noble action ,and changed our company name to name "Santang".And we will do whatever we can to bless this spirit last forever.
